

Hello Class of "52" !

Welcome to the 10 year reunion of the class of "52".

The years have passed quickly since we graduated from good "Ole" SCHS. . Our memories of being privileged to be the first class to graduate from the new high school are full of pleasant happenings and bonding friendships.

Notwithstanding are our memories of the old school, where we spent the majority of our school time together and where we suffered our ups and downs, and many joyous days.

May you all have a wonderful evening, renewing old friendships and making new ones.

Hoping to see you again in ten more years, we remain.

Sincerely,

The Reunion Committee

Words cannot express our sorrow

do you remember

first day of school with all those unfamiliar faces... one armed desks with corner ink wells... fellow who drank ink... punishment in the cloakroom... geography books slamming against hard heads... spelling downs... arithmetic contests at the blackboard.... plush bathrooms .. field day relays... the Bluffs... short skirts... loud mouthed boys.... stuck up girls..... screechers at the blackboard.... clanking heat pipes... scrap iron drive.. 8th grade graduation with those gowns that were so misfitted... class day at Scyamore Springs..... Ohh, and those sore muscles... anticipation of a coming test... sizing up a new classmate... initiation with the dumping that followed... that crazy, mixed up language known as Latin... First Fridays followed by cocoa and rolls.... being big shot sophmores..... dissecting those poor animals... home economic blunders... pep rallies.. snake dances through town.... raids on forthcoming Trojan opponents in neighboring towns... Paul's place... Harsh's.... Devils drop... being snowballed after school..... Fr. James' history writing marathons..... ingenuity of halloweeners who put a wagon on the roof of the school.... scramble in the hall for boots... dances (boys on one side and girls on the other and never the twain would meet).... nuns losing all hope at the class plays... basketball and football games.... typewriting class under the guidance of sleeping eyes... shorthand at the blackboards.... planning Prom for seniors.... selecting class colors like black and blue with a little pea green thrown in.... wise cracks.... signals.... cars roaring out after last class... infracting the rules... moving into the new school.... our beautiful singing.... getting out the Optimist..... Homework before class.... watching movies about the craziest subjects... sneak day.... visiting that brewery... fellow who mistakingly stuck his head in the opening where a tank of beer was fermenting.... graduation trials... white gowns and heels.... the dawning that school was almost over and having doubts of the future.... graduation remember.....

fun wasn't it?

CLASS HISTORY---

In September, 1939, we the class of '52, with smiling faces and happy hearts, met our teacher, Sister Mary Daniel. Thirty-seven bright happy children had set our baby feet on the rock road of education.

In our second grade we were welcomed by Sister Mary James. Father Matthew and Father Basil came to Seneca and soon became close friends and advisors. Kenneth Melcher and George Ronnebaum joined our class. That year was climaxed by our First Holy Communion.

We entered the third grade with Sister Georgine as our teacher. New double desks made talking the main event. Jeannie Kongs and Harry Koelzer joined us. We were confirmed by Bishop Shulte.

During our fourth year we had Sister Monica the first semester and Sister Wilma the second semester. Betty Lierz, Norma Riecherter, and Mary Louise McGehee were newcomers to the class. Harry Koelzer moved to California.

In the fifth grade Sister Collette welcomed us. We numbered 45 with new members, Dorothy Lorson, Pat Lukens, Hubert Lackey, and Ed Crevier. We went to the Bluffs with the sixth grade for our class picnic.

On reaching the sixth grade we succeeded in keeping our room in an uproar by giving hypos with compasses or putting gum in someone's hair, causing Sister Norbert unending troubles.

Ascending to the seventh grade, we welcomed Cecil Henry and Donna Shaughnessy. Sister Celeste, our teacher, was replaced by Sister Mary Magadalene in the second semester. We took the 8th grade to Sycamore and gave three \$25 bonds to the building fund for the new school.

When we entered the eighth grade Sister Priscilla greeted us. We sent rosaries to Father Prosper, a colored Benedictine in the Bahamas and food and clothing to Germany. We welcomed our new pastor and assistant Father Albert and Father Egbert. We gave Sister Priscilla a suitcase for working so hard with us, and also one to Sister Hildalita, our principal. We graduated on May 20, leaving behind our days of grade school and looking forward to the coming events.

As Freshmen we added Mary Irene Haug, Jim Broxterman, Laura Fenton, Bill Kuckleman, Gene Hickman, Noreen Sunneberg, and our sponsor, Sister Lawrence to our ranks. The first major event was our initiation, five days of torture at the hands of the seniors. Father George became our new assistant pastor, and held a religion contest. Freshmen taking part were Jerry Huerter, Mary Jane Wempe, Diane Mealy, Lou Luckeroth, Donald Widman, and Jack Luebbe. Many boys were on the football and basketball squads, and some girls were on the Trojanette squad.

With enthusiasm our sophomore year began with Sister Celeste as sponsor. This enthusiasm was greatly diminished by Father Albert's death, on Sept. 30th. Our new pastor, Father Edmund, was welcomed by all, and soon started the drive for our new school. Bill Smirl and Jim Broxterman were on the football team, while Jack Luebbe was on the basketball team. Jeannie Kongs, Georgie Nolte, Marlene Haverkamp, and Jan Koelzer were Trojanette members. Father George took us on a weiner

roast out to the lake. On the way the truck caught fire, but was quickly put out by the assistance of the Ambrose Koelzer household.

With thoughts turned to the coming Prom, we chose capable junior class officers, Pat Rooney, Jerry Huerter, Diane Mealy, and Lou Luckeroth. Jerry Winkler joined us and our sponsor was again Sister Celeste. Juniors on the football team were Jerry Huerter, Jim Broxterman, Bill Smirl, and Elmer Muetting. Jerry Huerter was elected captain for 1951. In basketball Jack Luebke, Bob Winterschiedt, Don Huerter, Jeep Honeyman and Jerry Huerter were on the first and second teams. The Trojanettes were aided in their season's victories by junior members too. Jeannie Kongs was elected Trojanette captain for the next year.

Second semester, took over Optimist with Connie Haug and Donald Widman co-editors. After much hard work and planning the Prom became a reality for us. The theme, "Sea of the Moon," the orchestra, Kenny Knowles. On our trip to Atchison we were accompanied by Father James. We helped to buy new desks for the senior room in the new school, which had been started.

As seniors we felt as if we were in a dream. The new school which was a dream before was now a reality, due to the aid of our parents and the efforts of Father Edmund. We were welcomed by Sister Pancratia, our sponsor and principal. Mary Cunningham and Lola Rogers were new students. Sept. 10, our long awaited class rings arrived. Football season ended with a won two lost three and tied three record. Homecoming arrived with Norene Sunneberg, queen, Lou Luckeroth and Pat Rooney as attendants. Basketball season closed with a record of 21 games won and 6 lost, taking 1st in the county and district league and 2nd in the regional tournaments. The Easter Dance and the retreat given by Father Timothy Fry are activities we will remember. Then above all was the never to be forgotten "Stars are the Windows of Heaven", Junior-Senior Prom with the band of Buddy Brown and the beautiful decorations. Finally our dream come true, graduation for the class of "52".

Note: We started with 37 in our class and closed with the same number.

CLASS PROPHECY --

What's in the future for the class of '52? Here's a fantastic preview of their fates.

May 18, 1962, found Mr. and Mrs. Jerry Huerter (the former Mary Lou Luckeroth) going across the U.S. on their belated honeymoon, motoring around on their bicycle built for two. As Jerry had just begun his vacation as co-owner and main janitor of Leirz's Men's Wear, and Lou just getting out of nurses' training, they had decided to go on their honeymoon (which Jerry could not afford before) and maybe visit old classmates.

Adventure Begins

While they were riding along, they heard a rumbling noise. Turning around, they saw a stock truck kiting along. Flagging it down, who should they find but Pat Rooney, Now Mrs. Jerry Winkler, and Jerry himself hauling cattle for Don Winkler down to Mr. and Mrs. Don Huerter's farm. Deciding to go to see Don, Jerry and Lou got directions and started off. Finding that they had gotten on the wrong road they met Cecil Henry driving his old F120 down Denver Ave. with his wife, and a trailer bouncing along behind. Stopping to talk to them, they asked them where they were taking the furniture and all those children. They said they had just gotten word to take over the convalescent home in Seneca. Then Lou asked them if they knew where Don Huerter lived. Cecil said they didn't know so Lou and Jerry drove on.

Disaster !

Just when they hit the Utah State line, Jerry was looking through the rear view mirror with his mind focused on Lou and wasn't looking where he was going and ran into a cactus. What happened? The front wheel flew off. Going into the Jayhawk Drug Store to call a filling station, they were surprised to find Janice and Bill Smirl happily waiting on customers. After sitting down to drink a coke with them, Jerry asked to the whereabouts of Elmer Tanking. They were surprised to find that he had joined the Navy and married a Wave. He is stationed at Downey, California. They also asked them who was a good bicycle repairman and Janice said to call Bill Lueb at his Standard Station. Going down to it, they found Gerry Wichman as his wife and bookkeeper. Bill fixed the tire so that it looked better than it did when it was new; while Lou talked to Gerry, she asked her if she knew where Don Huerter lived and Gerry said she didn't know. They tanked Bill and Gerry and left town.

More old Friends

On Sunday morning they decided to go to Mass so they stopped off at St. John's Cathedral. Who did they find giving the sermon but the Rev. Jack Luebke. He was preaching on soberness. After mass, Lou and Jerry went to see him. They asked him why he decided to become a priest. Jack said he had been thinking about it all during his school years. Jerry asked if there were any other classmates here, and Jack said Mary Alice Cunningham was there and that she was now Sister Pancratia, Jr.. She said that Mr. and Mrs. Jim Broxterman were in the parish. Sister said that she was teaching Jim, Jr. and he was really onrey. Diane Mealy

CLASS PHOPHECY (continued)

was now a famous organist, but still played in the parish church there.

After leaving Utah, they went into Reno, Nevada where they found Jane Koelzer, Maxine Gudenkauf and Pat Madden as marriage brokers. Lou and Jerry asked if they were having any luck and they said they had just married off Jeep Honeyman to a girl from Pawnee and Bo Winterscheidt to a girl from Sabetha. After finding that out they drove through the main street and who should they find but Don Widman sweeping the streets. They stopped to talk to him and asked him if he had seen or heard where Don Huerter lived. He said he didn't, so Lou and Jerry left. They drove on to see the city hall and inside they found Georgina Nolte, Mary Jane Wempe and Norene Sunneberg there still looking for prospects. After saying goodby to them, Jerry and Lou drove on and glancing at their map, decided to visit Shaugnessy, California, which was now on the map and also the Capitol. They met Paul the first thing and he asked them how they liked his nice city. He told them that there was a new Lou Wichman production in town entitled "Queens from Seneca". In it were Dorothy Lorson, and Irene Olberding. He said that the hairdressing was done by Gene Hickman and Bill Kuckelman. Paul also told them that Diane Strathman was the dietitian at the Elmer Muetting Institution for Sore Fee, and Laura Fenton, Marlene Haverkamp and Jeannie Kongs were nurses there.

End of the Trail

Then he said that Connie Haug was the only one they hadn't heard about. Paul said that she was in town and that she was a member of the F. B. I. and had finally caught up with Don and Katie Huerter. Wow! Were they ever glad that Don and Katie were still here to be seen.
